HEALTHY KIDS

SCHOOL FUN RUN FUNDRAISING

HealthyKidsFundraisers.com

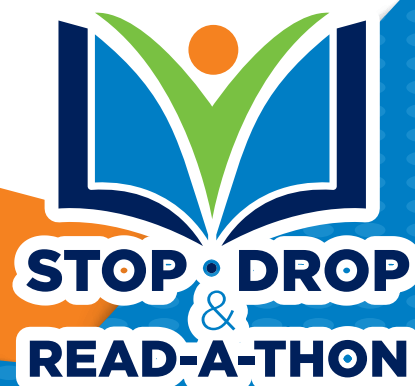

HEALTHY KIDS FUN RUN VISION

Our vision is to provide a full-service Fun Run Program for your school, which promotes a healthy lifestyle & raises you MORE PROFIT than you have ever earned on a fundraiser.

Our Themes include: Be Active, Be Healthy, Be Kind, Be Helpful & Be Thankful.

The most Profitable, Fun & Healthy Fundraiser your school will ever have!

Also featuring our

Healthy Kids Read-A-Thon Program!

WHAT WE OFFER YOU

Our program is designed to MAXIMIZE the profit potential for your school using our POWERFUL online tools & our staff's combined 40 years in the event fundraising business.

MOTIVATING KICK-OFF AND PRIZES

The key to any successful fundraising campaign is enthusiasm. The teachers & parents need to get excited about your GOAL, & the students need to get excited by the GOAL & the REWARDS! Our program does this better than anyone! We include both LIVE kickoffs (a high energy 20 minute assembly) & VIDEO kickoffs, so all students & parents are fully informed. Most programs run for approximately 14 Days.

CUSTOM MARKETING STRATEGY

Our experts will design a comprehensive schedule of marketing & media communications that will MAXIMIZE results. We will communicate via email effectively & efficiently with your parents, thus maximizing participation. We will provide posters, print materials, rewards, email updates to parents & teachers, sample media releases, corporate donor matching letters, etc.

BIG PROFIT!

Our GOAL is to minimize expenses so we can maximize your PROFIT! We have schools doubling the amount of money they keep by switching to Healthy Kids fundraising. Parents understand a cost to a program, but they also know when they are paying too much. Our Program delivers a consistently high & predictable result year after year by delivering the highest profit back to your school. **Most of our schools earn 65-70% NET profit after all expenses!**

CUSTOM DONATION WEBPAGE FOR EACH STUDENT

Our programs are supported by our POWERFUL pledge-drive web technology. Each Student will get a personalized donation page that is super easy to use. Parents DO NOT have to set up accounts or log in, they just click on the link we provide them & will easily share their child's donation site to friends & family with their social media platforms, email, & by text messaging!

DAILY FITNESS VIDEOS

As part of our health & fitness initiative, we include short daily Fit videos that your students & family will love! Videos can be shown in the classroom and/or viewed daily on the student's donation webpages.

THE FUN RUN

High energy, positive & a super FUN event! It's not a race or competition for the students, just a day of exercising (running, jogging or walking) & having a BLAST! Our Fun Run Team will set up & tear down the Fun Run Tracks. The Fun Run occurs throughout the school day on your school property & students will be grouped by age with multiple run times. Our Fun Run DJ will play awesome tunes on our Rockin' Sound System throughout the event & the students will LOVE IT! This is a family & community event, so we encourage family members & friends to attend the Fun Run to cheer on the students! It is truly a lot of fun for everyone!

NO SELLING PRODUCTS

Instead of selling products, your students will raise money for your school while improving their health & fitness! PLUS, it's super easy!

SUPER ONLINE FEATURES

Friends & Family from around the globe can donate to your great cause with custom student donation pages!

IT'S A WIN-WIN!

Teachers & Parents are happy again! A simple two-week fundraiser has never been so fun, rewarding & easy!
